## **BROADWAY BANK OPENS NEW MOTOR BANK FOR MAIN OFFICE**

**SAN ANTONIO, TX, May 25, 2010** -- Broadway Bank recently announced the opening of a new motor bank for the main office located at 1177 N.E. Loop 410. The state-of-the-art eight lane motor bank consists of five paying-and-receiving lanes, two commercial lanes, and one ATM lane. It also serves as a Saturday-only banking center for walk-in customers, offering a full set of savings and lending services.

“We’re excited about our new main, mini-banking center and the ability to provide our customers with the latest in motor banking facilities,” said Jimmy Allen, group executive vice president for the Retail Division of Broadway Bank. “We are extremely pleased with the new design and the aesthetic enhancement it brings to the neighborhood’s business community. We are also happy to say that we were able to utilize the skills and talents of the architectural firm of Garza/Bomberger & Associates and the general contractor, Malitz Construction, Inc.—both of which are headquartered right here in San Antonio.”

Allen continued, “This new mini-banking center is a milestone within a progression of construction phases and will ultimately create a more consolidated Broadway Bank headquarters campus, which includes expanded space for bank operations.”

The new banking center and motor bank will employ a staff of eleven employees. Hours of operation are:

Motor Bank

Monday - Friday: 7:30 a.m. – 6:00 p.m.

Saturday: 9:00 a.m. – 1:00 p.m.

Motor Bank Lobby

Saturday: 9:00 a.m. – 1:00 p.m.

Customers can continue to receive a full array of banking services at the Main Banking Center during weekday lobby hours of:

Main Banking Center Lobby

Monday – Friday: 9:00 a.m. – 5:00 p.m.

“The new building incorporates many state-of-the-art energy saving and green features in a contemporary design, but also incorporates exterior materials used in the design of the original headquarters building on the same site,” said Vaughn Bomberger, managing partner at Garza/Bomberger & Associates. “During the construction of the mini-banking center, a rerouting of Cheever Street occurred. This rerouting of the street joined Broadway Bank’s north and south properties into one site improving traffic in the area and pedestrian flow within the site.”

“It’s been a pleasure to contribute to the integral portion of the customer experience through this project and to contribute to the growth of the business community of San Antonio,” said John Malitz, President of Malitz Construction, Inc. “This new motor bank and mini-lobby will effectively and efficiently serve the customers of Broadway Bank, while providing a very positive customer experience for years to come.”

After almost 70 years, Broadway Bank continues to grow and manage its capital and profitability to assure continued strength, and to be here for the good of its customers.
